

## **Millions of Hearts**

Lyrics by Victor Angel Araque Rangel

Arrangement Badi Assad and Carlinhos Antunes

Do something and don't be deaf

Don't let people get mute

Until we start being brothers and sisters

We won't finish this dispute

We can't stop walking

I know it's hard

But the sun keeps shining bright

I can heal (2x)

I have faith

One mission for millions of hearts

If you are hearing this

Please, love my uniqueness

I don't want to be like anyone else

It's my strength, not my weakness

We know well, the world keeps turning right

I can heal (2x)

I have faith

One mission for millions of hearts

One mission for billions of hearts

One mission for trillions of hearts

### **House of Healing**

Lyrics by Muhammad Faran

Arrangement Badi Assad and Carlinhos Antunes

A thorny, dark road

We've walked on for so long

Clawed on by the bush of hate

Divided and alone

In the hovering mist of intolerance

Feet bruised by the pointy pebbles of greed

Yet we walk

We walk, far in the distance

Glistens the porch light of

A warm wooden house.

In there, we'll find

Many like us

Bruised, cut, broken, yet walking (2x)

In the house are sweet symphonies

In the house is human touch

In that house are many like us  
Waiting for us  
Waiting for us  
Scared and tired we walk  
Towards the burning porch light of  
The House of Healing

### **Es Tiempo de Sanar**

Lyrics by Roheena Madni and Andrea Valentina Perez

Arrangement by Andrea Valentina Perez

Shattered heart  
Nibbling pain  
Dry eyes  
Numb mind

Enough to say  
It's a process  
Our hearts seek  
To redefine

Da tu mano  
para avanzar  
Tiempo de sanar

Ponte a escuchar a tu hermano  
Porque al final  
Tiempo de sanar

How it must feel  
And heal itself  
With strength and courage  
Every time

Rejoice oh you!

The one broken,  
That you'll be stronger  
That you'll be fine.

It's time to heal (multiple x)  
Urdu – Roheena Madni (Pakistan)  
Spanish – Victor Angel Araque Rangel (Colombia)  
Portuguese – Badi Assad (Brazil)  
Dari – Mohadese Mirzaee (Afghanistan)  
Pashtun- Muhammad Faran (Pakistan)  
French – Diego Madriz (Venezuela)  
Hebrew – Aaron Bensoussan (Moroccan-Jewish)  
Arabic – Haytham Safia (Israel/Palestine)
